

## God is good

God's mercies are unending. See what Nahum says. The Lord is good, He is the Strength and Stronghold in the day of trouble and He knows those who take refuge and trust in Him. 1:7.

How so very reassuring to know that the Lord knows each one of us personally. Even though we are constantly lamenting that no one cares for me, no one needs me, we ignore the fact that the Lord constantly remembers us, He always cares for us, needs us and He waits that we would sit at His feet and gaze into His eyes. Yes let us turn our eyes from the world and look into the eyes of one who never slumbers nor sleeps and always watches over us. Then we would be the ones who would be reaching out to the hopeless, caring for the uncared we would forget that we needed them when we start giving it. The more it flows out the more we will be filled. So let us look to the Lord who knows us and reflect the light of His eyes to the darkened world around us. God be with you throughout this month and forever more. With joy you will draw water from the wells of salvation. Isaiah 12:4. Pray that the Lord sends rain to our nation.
