

## Lord be thou my vision

As days fly past what are we doing and what have we accomplished? At times we need to stop and take stock of our life. Am I just another drop in the ocean or am I a drop with a difference. We can make a big difference if our perception changes. One of the songs I often sing is this, "Be thou my vision, O Lord of my life, Naught(nothing) be all else to me save that thou art. Be thou my best thought, by day or by night, waking or sleeping, Thy presence my Light." If we would look our life through the eyes of God then our lives will radically change. Just to know Jesus as our friend and Saviour itself is the greatest grace in our life, because we did not choose Him, but Jesus personally handpicked us, in order that we may bear fruit. John 15, 16. So wherever we are placed we are called to bear fruit.

Ultimately when Jesus comes again, and in that day of judgment, fire will reveal the work of our hands (II Cor 3) Then, what we have done for the Kingdom of Jesus alone will stand. The time spent with your weeping friend sharing God's comfort, staying back with a lonely sick person in the hospital. visiting a lonely person, these things which we do for the Kingdom of God alone will stand. Our degrees, designation, our cars, expensive suits, decorated homes, our jewellery, and bank balance everything will be swallowed by fire. There would not even be leftover ash. Whatever we do for the Lord will stand.

Just be a light wherever you are, just be like Jesus wherever you are, Let the people around you see your good works and glorify the Lord in Heaven. Do not fight with everyone else, do not gossip with everyone, do not laugh for all the ribald jokes with everyone. Let us bear the stamp of Christ, so in spite of the darkness and sin all around we will still shine like stars in this crooked generation. (Philippians 2, 11?)

Lord, may you be our vision and help us live our life  
that glorifies your name. In Jesus name we pray. Amen.  
God bless you all.
