

*Dear friends,*

When I fell out of bed this morning and sat in the Presence of the Lord, the thought of hell came so awfully into my mind and I somehow felt forced to read Joshua Edwards sermon, *Sinners in the hands of an Angry God*. When I plugged in my computer to search and read this sermon my cousin had replied for my previous mail, lamenting the loss of Christ everywhere in Christmas. Again I started thinking of hell. This sermon was delivered in the year 1741 and when he writes about the nearness of hell, how close we should be now! Please read this sermon, it is available online. The thought sent a shiver down my spine.

Nowadays we don't hear messages which would hurt believers who are treated like customers in a state -of- the- art shopping mall.

The word hell has gained much popularity and currency with unaware young men women who sport these T shirts for style and to make a cool statement. But hell is not at all popular with informed believers about this place. My Pastor once said that

*in the Word of God, hell is spoken and described most by Jesus Christ Himself, Jesus who is the Truth. If Jesus speaks about a place would there be a doubt about the presence of this place.*

*Most often hell informed believers want to close our eyes to the reality of hell. When I was little once they screened this movie Heaven and Hell in my church. Whenever scenes of hell flashed before I closed my eyes tight and moved behind daddy's back. When the sound changed into music I slowly opened wide my eyes to scenes of Heaven. And today also many of us are closing our eyes tightly to the reality of hell. Yes we would be called stupid if we would go and tell our colleague who goes to a Christmas party to drink that he will go to hell if he really doesn't accept Jesus Christ. But is not that true. that in the name of the Most Holy God men are taking the sure road to hell, by partying, drinking and what not? The word sin has been effectively blotted out by so many thought systems but nevertheless sin is sin.*

*Even if we close our eyes hell is real. Even if we deny there is no sin, sin is there and wages of sin is sure death. Can you see the horror of your dear friend carousing all night with sinful pleasures is just a step short of the abyss of hell's mouth? Oh that my God would give me a vision of my dear friends and country men royally marching to this abyss of hell!*

*My dear friend this is what I want you to be sure of? Do you believe in hell? If yes rush and tell your friends, tell them about the only way of escape, the Blood of Jesus, salvation through believing the redeeming power in the Blood of Jesus and to hide in the Shadow of the Most High. If you do not believe that hell exists, it does not matter hell is still there more alive and more hotter than ever, just with an open heart pray and ask God to reveal to you whether there is a real hell or not. I am sure when you honestly ask God to lead you into the Truth He will answer.*

*Dear friend if you feel delicate to speak about the reality of hell to your friends, atleast forward this mail. Sin is real. Do not*

justify your actions. Jesus clearly lists what the works of the devil are. If you find yourself doing any of these you ARE trapped in sin. May be that has become fashionable, honourable, the in-thing to do, nevertheless a sin is a sin. For from within (that is ) out of the hearts of men, come base and wicked thoughts, sexual immorality, stealing, murder,[also includes abortion(mine)] adultery, coveting( a greedy desire to have more wealth), dangerous and destructive wickedness, deceit, unrestrained(indecent) conduct, an evil eye( envy)slander (evil speaking, malicious misrepresentation, abusiveness), pride ( the sin of uplifted heart against God and man) foolishness (folly, lack of sense, recklessness, thoughtlessness). Mark 7,22. (Amp.version) So this is the check list. Check yourselves and be clothed with salvation. The fire of the wrath of God is going to pass by. Oh children of God, listen The fire of the wrath of God is going to pass by, the angel of death will visit shortly. Are your door posts sprinkled by the Blood of the Lamb? Are your hearts cleansed by the Blood of

*the Lamb? Are you waiting for someday in future to repent? May be you will not live to see that day of repentance. The day of the Vengeance of the Lord will be sudden and sure and if you have not hid yourself in the shadow of His wings, you will be devoured in an instant. Hear the battle cry of the Lord. The sword is polished and is lifted. Rush into the sanctuary. The door of the ark is going to be locked by God Himself. Drag as many of your perishing friends. This is the need of the hour, not Christmas merry parties, but Christmas Rescue ships. In a short time, God Himself will get down to avenge His Holy Name, the blood of His saints, the blood of the unborn killed in the womb, the injustice, the violence .... Hell is hungry and waiting. Repent and pull, drag coax your friends into this canopy of grace and escape. There is very little time. There will be an unprecedented destruction poured into all corners of the earth. Come and escape the great wrath. Hell is prepared for God's day of vengeance. Come, come run into the*

*Father's arms before He wears the vestments of Vengeance.*

*Oh Lord give us a vision of hell. Give us the revelation of our times. Oh Lord how near and gaping hell is. Give us a searing soul burden for all those who are so ignorantly blaspheming and rejecting your name and dancing their way to hell.*

*Oh Lord strengthen our hands to pull as many as we can to the safety of Your ark. Lord please one more time, please one more year. . Fire our hearts to rush for what is so important. O Son of David have mercy, have mercy. .In Jesus name. Amen.*
